Career Objective:

Full Stack Developer with expertise in Python, Django, MySQL, REST APIs, responsive design, and AI-assisted tools. Proficient in database design, version control, and building scalable web applications. Seeking opportunity to deliver quality solutions in collaborative environment.

Technical Skills:

Programming Languages: Python, C and C++

Technologies: Django (Framework), MySQL, HTML5, CSS3, Tailwind CSS

Tools: VS Code, Git & GitHub, Render, Railway, AI-Assisted Development Tools

Concepts: OOPs, CRUD Operations, REST APIs Development, Version Control and Problem Solving

Featured Projects:

Student Management System: | <https://campus-core-portal.onrender.com> |

Tech: Python, Django, MySQL, HTML5, Tailwind CSS

- Developed a full-stack student management system handling **500+ records** with complete CRUD functionality.
- Implemented CRUD operations and database integration using MySQL.
- Designed responsive user interfaces with Tailwind CSS.
- Improved data management through efficient database operations.

Personal Portfolio Website: | <https://pankaj-portfolio.up.railway.app> |

Tech: Python, Django, HTML5, Tailwind CSS, Git, GitHub

- Developed a responsive portfolio website to showcase projects and technical skills.
- Implemented dark/light mode and mobile-friendly layouts.
- Utilized Git and GitHub for version control and deployment.

Smart Queue Management System (Team Project): | <https://github.com/PankajjPatel/Smart-Queue-System.git>

Tech: Spring Boot (Java), React.js, Tailwind CSS, MySQL

Role: Database Design & Management

- Collaborated in a team to develop a Smart Queue Management System for hospitals, banks, and colleges.
 - Designed and managed MySQL database schemas, relationships, and SQL queries.
 - Supported admin functionalities for managing organizations, staff, and queue records.
-

Education:

Bachelor of Technology (B.Tech) – Computer Science Engineering

Chameli Devi Group of Institutions, Indore

CGPA: **7.07/10** | 2023 – 2027

Certification:

- OCI 2025 Certified Generative AI Professional - Oracle
- OCI 2025 Certified AI Foundations Associate - Oracle
- AWS Academy Graduate - Cloud Foundations - Amazon Web Services (AWS)
- Python Essentials I and II - Cisco Networking Academy
